Parent teacher conference times went home this week. If you have not seen your scheduled time please let me know and I can email that information. Just a reminder we are inviting 4th grade students to attend the conference with you. Our field trip is this Friday!! Students are asked to dress as if it is picture day as we will be attending the symphony. Please help remind you child to bring home their learning notebook every Friday (or more often if you'd like). This is a valuable tool to help see your child's progress and current learning. Hope everyone has a great 3 day weekend!
