We had a wonderful time today on our field trip to the Kansas City Symphony. We learned how the branches of government are similar to the orchestra. Check out my blog for pictures or today's trip! There is no homework this week as we have a short week next week. If something comes up and you are not able to make your conference please let me know as soon as possible. Have a great weekend and I look forward to sharing your child's progress with you next week!
