Thank you to everyone that helped with the Sonic fundraiser last weekend! We are very excited to be going on our next virtual field trip with "Sharks Alive" to help celebrate Earth Day. Please make sure you sign the permission slip and return no later than Tuesday. Please make sure you child is continuing to work on Customary and metric units of measurement as well as area and perimeter. This has been a difficult skill for our class and we are needing continuing practice. I hope everyone has a great long weekend!

~Ms. Baehr
