This week we began testing by taking the Acuity Test in reading and SRI testing which is also reading. Students put great effort and worked really hard! Next week we will be finishing up Acuity and taking the math portion. Just a reminder these tests are to help to us see where students learning is currently at and to help guide my instruction. The information usually shared at Parent Information Night will be sent via email this year and posted on our website. That information will be sent out at the end of next week! I hope everyone has a great holiday weekend!
